

HOLBORN AND FINCHBURY SEWERS, MIDDLESEX.

THE COMMISSIONERS OF SEWERS
For the LIMITS given NOTICE, that by an Act of Parliament made and passed in the session of Parliament holden in the 10th and 11th years of the reign of her present Majesty, chapter 70 (local and personal), intituled, "An Act to explain and amend the Laws of Sewers relating to the City and Liberty of Westminster, and part of the County of Middlesex," it is enacted, &c. that after the passing of that Act of 4th July, 1832, it shall not be lawful to build any house and the word "house" is thereby declared to comprise every species of building within the limits of any level division of the district formed, or thereafter formed, at the limits of that district, and a sewer is to be carried off the drainage thereof by first constructed to the satisfaction of the Commissioners of Sewers, of each material, of each size, at such level, and with such fall, as they shall direct, which sewer shall lead to and communicate with such other sewer as the Commissioners shall direct; provided that, if there shall be already a sewer sufficiently near, in the judgment of the Commissioners, to any such premises, then a drain shall be made to lead from such premises into such existing sewer; and it is thereby declared that the expense of building such sewer or drain shall in all cases be borne by the owner of such house, unless the Commissioners shall think that a portion of the expense of the sewer, but in no case shall be borne by the land in which such sewer shall be made. And further it is by the said Act enacted, that if any person shall proceed to build any house in contravention of the said provisions, the Commissioners are authorized to punish him, and any person employed by him, by fine, imprisonment, or otherwise, as in the said Act is directed; but it is thereby provided that no person shall be required to expend a greater sum for such works than after the rate of 2s. per foot according to the extent of the drainage, and that any house so built and connected with any public sewer, and at a distance of not less than 50 feet from any public road or other house, shall not be liable to make such sewer or drain, and shall not be liable to the payment of any rate or assessment of a jury. And further take notice, that the said Commissioners of Sewers hereby directly require all persons to comply with the provisions of the said Act, and with this view persons interested are requested to attend at the office of the Commissioners, No. 1, Strand-street, No. 10, between the hours of nine in the morning and four in the afternoon, where a map and plan of the sewers under the jurisdiction of the Commissioners may be seen, and the form of sewers and drains required, ascertained, and a form of the written request required may be obtained, and all further information and assistance given; And further take notice, that parties are requested to sign their names at least before they shall so attend at the said office to send, by post or otherwise, to the Secretary of the Commissioners at the said office, a description of the house or erection intended to be built, with the mode in which it is proposed to join any sewer, or provide for the drainage of such premises.

By the Court,
STABLE and LUSH, Clerks.

TO BUILDERS, OWNERS OF HOUSES AND PROPERTY, AND OTHERS.

THE Commissioners of Sewers for the City and Liberty of Westminster, and part of the County of Middlesex, HEREBY GIVE NOTICE, that by an Act of Parliament made and passed in the session of Parliament holden in the 10th and 11th years of the reign of her present Majesty, chapter 70 (local and personal), intituled, "An Act to explain and amend the Laws of Sewers relating to the City and Liberty of Westminster, and part of the County of Middlesex," it is enacted, &c. that after the passing of that Act of 4th July, 1832, it shall not be lawful to build any house and the word "house" is thereby declared to comprise every species of building within the limits of any level division of the district formed, or thereafter formed, at the limits of that district, and a sewer is to be carried off the drainage thereof by first constructed to the satisfaction of the Commissioners of Sewers, of each material, of each size, at such level, and with such fall, as they shall direct, which sewer shall lead to and communicate with such other sewer as the Commissioners shall direct; provided that, if there shall be already a sewer sufficiently near, in the judgment of the Commissioners, to any such premises, then a drain shall be made to lead from such premises into such existing sewer; and it is thereby declared that the expense of building such sewer or drain shall in all cases be borne by the owner of such house, unless the Commissioners shall think that a portion of the expense of the sewer, but in no case shall be borne by the land in which such sewer shall be made. And further it is by the said Act enacted, that if any person shall proceed to build any house in contravention of the said provisions, the Commissioners are authorized to punish him, and any person employed by him, by fine, imprisonment, or otherwise, as in the said Act is directed; but it is thereby provided that no person shall be required to expend a greater sum for such works than after the rate of 2s. per foot according to the extent of the drainage, and that any house so built and connected with any public sewer, and at a distance of not less than 50 feet from any public road or other house, shall not be liable to make such sewer or drain, and shall not be liable to the payment of any rate or assessment of a jury. And further take notice, that the said Commissioners of Sewers hereby directly require all persons to comply with the provisions of the said Act, and with this view persons interested are requested to attend at the office of the Commissioners, No. 1, Strand-street, No. 10, between the hours of nine in the morning and four in the afternoon, where a map and plan of the sewers under the jurisdiction of the Commissioners may be seen, and the form of sewers and drains required, ascertained, and a form of the written request required may be obtained, and all further information and assistance given; And further take notice, that parties are requested to sign their names at least before they shall so attend at the said office to send, by post or otherwise, to the Secretary of the Commissioners at the said office, a description of the house or erection intended to be built, with the mode in which it is proposed to join any sewer, or provide for the drainage of such premises.

By order of the Court,
LEWIS C. HERBERT, Clerk.
